HEALTH & SAFETY POLICY

- The success of ‘KKAcademy’ will be measured by its ability to provide a healthy and safe exercise environment.
- All volunteers will share ‘KKAcademy’ genuine commitment to health and safety supported by a firm, fair and consistent enforcement policy.
- ‘KKAcademy’ will have an ongoing commitment to the health, safety and welfare of its participants through the provision of appropriate and effective advice, support and guidance on all health and safety matters in order to facilitate a healthy and safe exercise environment.
- ‘KKAcademy’ will ensure that all volunteers are appropriately qualified, insured and have up-to-date first aid training. Any injuries or accidents occurring during the training session will be recorded in an Accident Record book.
- All participants and their parents will be required to complete and sign a health & safety questionnaire confirming their consent to take part in an exercise programme. If necessary, consent from medical practitioners should also be sought.
